# RE-FRAMING OUR WORK: THE SATF CONTINUUM MODEL

### **ACTION + COLLABORATION**

Advocacy + Response services inform Preventionists and outreach with community-specific trends, share data, and each area participates in cross-training and evaluation.

## ADVOCACY + RESPONSE SERVICES

Advocacy and Response services operate in a clear, consistent, and "as advertised" manner, are able to refer as necessary to additional resources.

# OREGON SATF PREVENTION, ADVOCACY + RESPONSE CONTINUUM

# TRAUMA-INFORMED, SURVIVOR-CENTERED RESPONSE

Staff that are able to respond to reports of sexual violence are well-trained, assess safety and promote survivor autonomy.

## PREVENTION EFFORTS

Community-specific, grounded in best-practice, and operate in a trauma-informed manner.

## KNOWLEDGEABLE + WARM REFERRAL BY PREVENTIONISTS

Preventionists and other key staff are able to accurately and adequately refer to services in a warm manner.
